**VINA ROBLES HELPS RAISE OVER \$5,000 TO SUPPORT MISSION
NEXT EVENT PLANNED AT MCPHEE'S GRILL, TEMPLETON**

Vina Robles Winery is proud to announce that they are teaming up with Ian McPhee of McPhee's Grill in Templeton to offer a special dinner to raise money to help rebuild the San Miguel Mission.

This is Vina Robles's third fundraiser this year for the Mission San Miguel Retrofit Fund. The community at large has been very responsive to these small events, which already have raised over \$5,000 in the six months since the program began.

Brother Bill Guardian of the Franciscan Friars will perform grace at the dinner and describe the importance of the fundraising effort with an update on the status of the Mission. The replacement of the abode is well overdue as the Mission suffered major damages in the December 2003 earthquake. Millions of dollars will be needed to keep this local architectural treasure accessible and viable.

"The team at Vina Robles Winery is embracing the 'mission' of taking baby steps toward raising these funds" says Marc Laderriere, Vina Robles' Sales and Marketing Director. "We hope the community will join us in working toward reopening the San Miguel Mission, one adobe at a time."
