WHITE 4

2016 + PASO ROBLES

The Power of 4 – this wine is an estate blend of four varieties that are very unique to Paso Robles and California’s Central Coast. This distinctive blend showcases the bold fruit flavors of Viognier, crisp acidity of Verdelho, rich mouthfeel of Vermentino and bright tropical fruit qualities of Sauvignon Blanc. Intended as a trial, we discovered that these varieties have responded extremely well to the terroir of our estate vineyards.

Selected from our prestigious Huerhuero and Jardine vineyards, where warm afternoons and cool evening breezes guide the grapes to perfect ripeness, each variety was harvested at night to preserve the fruit’s fresh flavors. The grapes were pressed at the winery and fermented separately in stainless steel tanks. Different yeast strains were used to best express the characteristics of each variety and retain fruit vibrancy with added dimensions. After fermentation, the wines were blended based on trials and the individual character of the wines. The result is a synergistic blend that is more delicious than the sum of its parts; a compelling and unconventional wine.
