2011 PETITE SIRAH – CRESTON VALLEY VINEYARD

The microclimate and soils in our estate Creston Valley Vineyard located southeast of Paso Robles encouraged us to bottle this limited-production Petite Sirah. Rolling hills, picture perfect exposure and shallow soils with noticeable limestone all contributed to exceptional Petite Sirah fruit from this vineyard.

The grapes for this vintage were handpicked and sorted for quality in the vineyard. The fruit was fermented in small stainless steel tanks and bins. Over three days, the must was allowed to “cold soak” to extract color and flavor prior to the start of fermentation. Pump-overs and punch-downs took place frequently over a ten-day period before the juice was pressed off and transferred to French oak barrels to complete malolactic fermentation. This exceptional lot warranted a separate bottling. Distinctive of the Creston Valley terroir, the vineyard’s limestone soil is expressed through the wine’s chalky tannins.
