ART MEETS WINE AT NEW PASO ROBLES GALLERY

The Gallery at Vina Robles Winery Opens on May 21

Paso Robles, CA—Vina Robles Winery is set to uncork a new visual experience at its hospitality center in the heart of the Paso Robles wine country with the opening of The Gallery at Vina Robles, a dedicated 1,800-square-foot space that will feature rotating exhibits from a variety of accomplished painters, sculptors and other artists.

On the evening of Friday, May 21, Vina Robles will host a gallery grand opening from 5 p.m. to 7 p.m. The event, including wine tasting, is complimentary and open to the public. The inaugural quartet of featured artists (see below for short bios) will be on hand at the grand opening and throughout the weekend to share their creations with visitors.

Thereafter, the Gallery at Vina Robles will be open daily during tasting room hours; summer 10 a.m. – 6 p.m., winter 10 a.m. – 5 p.m. The gallery will offer self-guided information on the artists and their works. Most works will also be available for purchase.

“Art and wine are a classic pairing that we want to celebrate in the Paso Robles wine country,” said Vina Robles Managing Partner Hans-R. Michel. “Original art has always played a central role in the décor of our hospitality center, and the gallery affords us the opportunity to showcase an expanded selection of unique artists from both near and far.”
