Here is something **NEW** that is worth investigating – a lithe and toothsome Cabernet Sauvignon from the sunny appellation of Paso Robles. Crammed with ripe fruit, and a touch of spicy Petit Verdot to add structure this elegant wine will charm you with its bouquet of plums, and chocolate and intrigue your palate.

Fine French oak lifts the cherry and plum like aromas of this accessible Cabernet. Friendly in the mouth with a sense of tactile polish. Temperate in tannin and firmed by a twist of acidity, it is a very likeable middle weight Cabernet.
